U14B	Edge	Vanderhaas		12	5:30			5:30	
U16G	HS								

- ▶ All fields will be marked by August 30, 2008.
- ▶ **You are only authorized to use the practice fields twice per week per the Club's contract with the owner.**
- ▶ You must use your assigned field at the assigned time unless you make arrangements with one of the other teams.
- ▶ There are other non-club teams which will be using the fields. They have also been assigned times and fields so if you have any issues with your fields, please let me know immediately and I will alert the owner.
- ▶ Do not assume that "unused" fields are available. The owner has required a schedule in order to coordinate maintenance on the fields and the "unused" field might have just been fertilized or be scheduled for mowing.
- ▶ Until we get an "all-call" system, I will make every effort to alert you via e-mail if the fields are not available due to weather conditions. However, in the event that conditions develop after 4:00, please advise your team to use their best judgment (i.e., if it is pouring down rain on the ride to the fields, there will not likely be practice).
- ▶ Fields 3 and 4 are for use by the Academy and Friday night leagues.
